SCOPE OF AGREEMENT

This Agreement establishes a framework that will enable Sweep to provide Customer with the Software Services. Software Services is provided as part of a Subscription, and the Free Software as well as commercial versions of the Software can be accessed through GitHub. For self-hosted versions of the Software, Customer is required to make the purchase through an Order Form. Order Forms may contain Additional Terms which will apply to certain features or may provide for Supplemental Services that Customer accesses, uses, enables or otherwise purchases. If there is any conflict between this Agreement and Additional Terms with respect to such features or Supplemental Services, the Additional Terms will control.

ORDERING PROCESS

This Agreement applies to Software Services that Customer licenses directly from Sweep, a Sweep Affiliate, or from an Authorized Partner. For the avoidance of doubt, in the event Customer purchases from an Authorized Partner, Sweep shall have no obligations to Customer with respect to any terms and conditions outside of this Agreement unless otherwise agreed to in writing between Customer and Sweep.

Unless otherwise agreed to between Customer and Sweep in writing, the terms of this Agreement shall govern any and all use of the Software Services. Purchases of Software Services may take place by either: (i) purchasing via the Sweep Website; (ii) executing an Order Form with Sweep or an Affiliate of Sweep; or (iii) purchase from an Authorized Partner.

Sweep and Customer acknowledge and agree that at the sole discretion of Sweep, Free Software may be: (i) modified and/or updated by Sweep, without notice, and (ii) limited in functionality, features, maintenance, support and contain other limitations not present in Software purchased.

TERM AND TERMINATION

The Agreement commences on the Effective Date and continues until it is terminated in accordance with this Section. A Subscription Term shall begin as of the Subscription Start Date and remain in effect for the term length as indicated on the Order Form (the “**Initial Term**”) and automatically renew for successive twelve (12) month terms (each a “**Renewal Term**”) and for the same number of User licenses purchased in the most recent Subscription Term, plus any Add-On Users activated and/or used during such Subscription Term, unless either party gives notice of its intention not to renew thirty (30) days prior to the expiration of the current Subscription Term, or as otherwise agreed to between the parties. Customer shall have the right to opt-out of such renewal, from within the Software Services, commencing upon the Subscription Start Date until thirty (30) days prior to the expiration of the Subscription Term. Subscriptions must be used during the Subscription Term and any unused Subscriptions will expire.

Either party may terminate this Agreement and any Order Form executed between the parties if: (a) the other party materially breaches this Agreement and does not cure the breach within thirty (30) days after written notice; or (b) the other party becomes the subject of a petition in bankruptcy or any other proceeding relating to insolvency, receivership, liquidation or assignment for the benefit of creditors.

If Customer breaches the terms of the Section titled “**Restrictions and Responsibilities**” or “**Payment of Fees**”, Sweep may (at its sole discretion) (a) suspend delivering Subscriptions until the breach is remedied or (b) avail itself of any other remedy under this Agreement, including terminating this Agreement.

In the event this Agreement is terminated by Customer in accordance with the termination provisions of this Agreement, Sweep will refund Customer any prepaid Fees for the prorated portion of unused Subscription Term. If this Agreement is terminated by Sweep, Customer will pay (if applicable) any unpaid Fees covering the remainder of the Subscription Term of all Order Forms, to the extent permitted by applicable law. For the avoidance of doubt, in no event will termination relieve Customer of its obligation to pay any Fees payable to Sweep for the period prior to the effective date of termination. The terms and conditions of this Agreement will apply to any Renewal Term(s) provided that, unless otherwise set forth in an Order Form, Website purchase or other written agreement between the Parties, Sweep’s then-current List Price will apply with regard to any such Renewal Term(s). Sweep reserves the right to increase fees for any

Renewal Term(s) with respect to its products and services, including the Software and Supplemental Services.

RESTRICTIONS AND RESPONSIBILITIES

Customer will not, and will not permit any third party to (not otherwise defined as a User): (i) use the Software Services for any purpose other than as specifically authorized in this Agreement; (ii) use the Software Services in such a manner that would enable any third party to access the Software; (iii) use the Software Services for time sharing or service bureau purposes (including without limitation, sublicensing, distributing, selling, reselling any Software); (iv) for any purpose other than its and its Affiliates' own internal use; (v) use the Software Services other than in compliance with all applicable laws and regulations; (vi) remove or alter any trademark, logo, copyright or other proprietary notices, legends, symbols or labels in the Software Services, (vii) share its or its authorized users' access credentials with any other individuals or third parties, (viii) attempt to circumvent, disable or defeat any limitations encoded into the Software activation key, (ix) use the Software Services in any manner that: (a) is harmful, fraudulent, deceptive, threatening, abusive, harassing, tortious, defamatory, vulgar, obscene, or libelous (including without limitation, accessing any computer, computer system, network, software, or data without authorization, breaching the security of another user or system, and/or attempting to circumvent any User authentication or security process); (b) impersonates any person or entity, including without limitation any employee or representative of Sweep; (c) includes content, with respect to the use of Software Services, which is illegal or (d) introduces any virus, trojan horse, worm, time bomb, unsolicited bulk, commercial, or "spam" message, or other harmful computer code, file, or program (including without limitation, password guessing programs, decoders, password gatherers, keystroke loggers, cracking tools, packet sniffers, and/or encryption circumvention programs); and (x) except to the extent permitted by applicable law, disassemble, reverse engineer, or decompile the Software Services or access it to: (a) build a competitive product or service, (b) build a product or service using similar ideas, features, functions or graphics of the Software Services, (c) copy any ideas, features, functions or graphics of the Software Services, or (d) determine whether the Software are within the scope of any patent.

Nothing in this Agreement shall prohibit Customer from using the Software for internal benchmark testing or comparative analysis, provided Customer may not publish or disclose the results of such benchmark testing or comparative analysis without Sweep's prior written consent. Customer will comply with all applicable data privacy and security laws and shall have appropriate technological, administrative, and physical controls in place to ensure such compliance.

In accordance with this Agreement, Sweep has the right to verify electronically (or otherwise), and generate, or require Customer to generate and provide, reports related to Customer's installation of, access to, and use of the Software to ensure compliance with the terms of this Agreement. Customer shall maintain Customer Records during the term of this Agreement and for two (2) years thereafter. Sweep may, upon thirty (30) days' prior written notice to Customer and during Customer's normal business hours and subject to industry-standard confidentiality obligations, hire an independent third-party auditor to audit the Customer Records only to verify the amounts payable under this Agreement with respect to Customer usage of the Software. If an audit reveals underpayment, Customer shall promptly pay the deficiency to Sweep plus late fees. Sweep shall bear the cost of an audit unless the audit reveals underpayment by more than 5% for the audited period, in which case Customer shall promptly pay Sweep for the reasonable costs of the audit.

Customer will be responsible for the following: (i) maintaining the security of Customer's account, passwords (including, but not limited to, administrative and User passwords) and files, and for all uses of Customer account with or without Customer's knowledge or consent; and (ii) any acts or omissions carried out by Contractors on Customer's behalf. Customer shall ensure that Contractors are subject to terms no less stringent than those stated herein.

Portions of the Software may be governed by underlying open source licenses. See <https://github.com/sweepai/sweep/blob/main/LICENSE>. This Agreement establishes the rights and obligations associated with Subscriptions and Software and are not intended to limit Customer's right to software code under the terms of an open source license.

PAYMENT OF FEES

With respect to purchases direct from Sweep, all web-portal purchase Fees shall be due and payable immediately.

With respect to purchases direct from Sweep, the Order Form shall: (i) reference this Agreement; (ii) state the Subscription Term(s) and Subscription(s) that are being purchased; and (iii) state the Fees due for the applicable Subscription(s).

With respect to purchases direct from Sweep, such Order Form is hereby incorporated into this Agreement by reference. The parties hereby agree to the terms and conditions stated within this Agreement and those found within an Order Form to the exclusion of all other terms. The parties agree that all terms stated within a Purchase Order, or other similar document, shall be null and void and are expressly rejected.

With respect to purchases direct from Sweep, Customer will pay Sweep the applicable Fees, including those for Supplemental Services, without any right of set-off or deduction. All payments will be made in accordance with the payment details stated within the applicable Order Form. If not otherwise specified: (i) Sweep (or applicable Sweep Affiliate) will invoice Customer for the Fees upon the Acceptance of an Order Form; and (ii) all Fees will be due and payable within thirty (30) days of Customer's receipt of an invoice. Except as expressly set forth in this Agreement, all Fees paid or due hereunder (including prepaid amounts) are non-refundable, and no credit will be due, including without limitation if this Agreement is terminated.

If Customer is paying Fees using a credit card or any digital payment method supported by Sweep, Customer authorizes Sweep to charge Customer's account for the Subscription using that payment method. Customer must keep all information in its billing account current to ensure that all Fees are charged to the appropriate account and are timely paid. If Customer notifies Sweep to stop using a previously designated payment method and fails to designate an alternative, Sweep may immediately suspend use and access to the Subscription. Any notice from Customer changing its billing account will not affect charges Sweep submits to Customer's billing account before Sweep reasonably can act on Customer's request. Sweep may use a third-party intermediary to manage credit card processing, and this intermediary is not permitted to use Customer's credit card information except in connection with Customer's authorized purchases. Notice (including email) from Sweep's third-party credit card processor declining Customer's credit card or otherwise relating to Customer's account will be deemed valid notice from Sweep.

During the Subscription Term, Customer may, subject to this Agreement, activate and use Add-On Users. For the avoidance of doubt, Customer shall not have the right to report less than the number of Users originally purchased under the Subscription, and all Add-On Users shall be co-termed to the underlying Subscription Term.

CONFIDENTIALITY

Each party (the "**Receiving Party**") understands that the other party (the "**Disclosing Party**") has disclosed or may disclose information relating to the Disclosing Party's technology or business (hereinafter referred to as "**Confidential Information**"). Such Confidential Information shall be either: (i) identified as confidential at the time of disclosure; or (ii) the nature of such information and/or the manner of disclosure are such that a reasonable person would understand it to be confidential. Without limiting the foregoing, and subject to applicable open source license(s), the Software is considered Sweep Confidential Information.

The Receiving Party agrees: (i) not to divulge to any third person any such Confidential Information; (ii) to give access to such Confidential Information solely to those employees with a need to have access thereto for purposes of this Agreement; and (iii) to take the same security precautions to protect against disclosure or unauthorized use of such Confidential Information that the party takes with its own confidential information, but in no event will a party apply less than reasonable precautions to protect such Confidential Information.

The Disclosing Party agrees that the confidentiality obligations in this Section will not apply with respect to any information for which the Receiving Party can document: (i) is or becomes generally available to the public without any action by, or involvement of, the Receiving Party; or (ii) was in its possession or known by it prior to receipt from the Disclosing Party; or (iii) was rightfully disclosed to it without restriction by a third party, or (iv) was independently developed without use of any Confidential Information of the Disclosing Party.

The parties' obligations with respect to the protection of Confidential Information shall remain in force for a period three (3) years following the receipt of such Confidential Information and shall survive any termination or expiration of this Agreement.

Nothing in this Agreement will prevent the Receiving Party from disclosing Confidential Information pursuant to any judicial or governmental order, provided that the Receiving Party gives the Disclosing Party, when legally possible, reasonable prior notice of such disclosure to allow the Disclosing Party, at Disclosing Party's cost, a reasonable opportunity to request confidential treatment or a protective order pertaining thereto prior to Receiving Party making such disclosure.

Each party acknowledges and agrees that the other may suffer irreparable damage in the event of a breach of the terms of this Section and that such party will be entitled to seek injunctive relief (without the necessity of posting a bond) in the event of any such breach.

Both parties will have the right to disclose Confidential Information in connection with: (i) a required filing to a governmental authority (provided such party will use reasonable efforts to obtain confidential treatment or a protective order), or (ii) disclosures made to potential investors or acquirers, provided that at all times the Confidential Information shall be protected in a manner no less stringent as set forth in this Section.

Sweep may collect data with respect to, and report on the aggregate response rate and other aggregate measures of, the Software Services' performance and Customer's usage of the Software Services. Notwithstanding the foregoing, Sweep will not identify

Customer to any third party as the source of any such data without Customer's prior written consent.

ARTIFICIAL INTELLIGENCE TOOLS

The Software Services may leverage third party large language models and artificial intelligence algorithms and platforms ("**Third-Party Models**") to generate suggested software code made through the Software (collectively, the "**Output**") in response to the Customer's prompts ("**Prompts**"). Sweep does not make any representations with respect to Third-Party Models or any Output provided in connection therewith. Such Third-Party Models are not under the control of Sweep and do not form part of the Software or related services. Sweep is not responsible for any Third-Party Models or Output generated thereby and Customer uses such Third-Party Models and Output at its own risk. Without limiting the foregoing, Customer acknowledges and agrees to OpenAI's Terms of Use (currently accessible at <https://openai.com/policies/terms-of-use>) and its Privacy Policy (currently accessible at <https://openai.com/policies/privacy-policy>), Anthropic's Terms of Service (currently accessible at <https://www.anthropic.com/legal/commercial-terms>) and Privacy Policy (currently accessible at <https://www.anthropic.com/legal/privacy>), Google's AI Studio Terms (currently accessible at <https://ai.google.dev/terms>) and Privacy Policy (currently accessible at <https://policies.google.com/privacy>), and hereby consent and authorize Sweep to share any Customer Content with one or more Third-Party Model providers to the extent required to complete Customer's request.

As between the parties, each of the Prompts and Output are considered "Customer Content" for the purposes of the Agreement. Customer is the owner of Customer Content, and Sweep hereby assigns to Customer all right, title and interest it may have, if any, in and to any Output. Customer acknowledges and agrees that such Prompts may be provided to Third-Party Models in connection with Customer's use of the Software under the terms and conditions or policies governing the Third-Party Models.

Customer is responsible for reviewing any Output prior to its use and exercising its own business and legal judgment as to its suitability for use. Customer acknowledges and agrees that, notwithstanding the automated suggestions provided by the Software, Customer remains solely responsible for the content, legality, accuracy, and completeness of the Outputs, and any use thereof. Customer shall evaluate the fitness of any Output as appropriate for Customer's specific use case.

SWEEP MAKES NO WARRANTY OR GUARANTY THAT THE OUTPUT WILL PROVIDE ACCURATE, TAILORED OR INFORMATIVE RESULTS OR BE FIT FOR THE PARTICULAR PURPOSE OR USE CASE. SWEEP DOES NOT REPRESENT OR WARRANT THAT THE PROMPTS OR OUTPUT ARE PROTECTABLE BY ANY

INTELLECTUAL PROPERTY RIGHTS, OR THAT THE OUTPUT DOES NOT INCORPORATE, INFRINGE OR MISAPPROPRIATE THE INTELLECTUAL PROPERTY OR PROPRIETARY RIGHTS OF ANY THIRD PARTY. CUSTOMER ACKNOWLEDGES THAT THE SOFTWARE LEVERAGES THIRD-PARTY MODELS AND THAT SWEEP IS NOT LIABLE, AND CUSTOMER AGREES NOT TO SEEK TO HOLD SWEEP LIABLE, FOR THIRD-PARTY MODELS OR ANY OUTPUT THEREOF.

INTELLECTUAL PROPERTY RIGHTS

Subject to the terms and conditions of this Agreement and the applicable Order Form, Sweep hereby grants to Customer and its Affiliates a limited, non-exclusive, non-transferable, non-sublicensable license for Customer's and its Affiliates' Users to:

Notwithstanding anything to the contrary, Customer agrees that Sweep and/or its licensors (as applicable) retain all right, title and interest in and to all Software incorporated in such modifications and/or patches, and all such Software may only be used, copied, modified, displayed, distributed, or otherwise exploited in full compliance with this Agreement, and with a valid Subscription for the correct number of Users.

Except as expressly set forth herein, Sweep (and its licensors, where applicable) will retain all intellectual property rights relating to the Software Services and any suggestions, ideas, enhancement requests, feedback, or other recommendations provided by Customer, its Affiliates, Users or any third party relating to the Software Services (herein referred to as "**Feedback Materials**"), which are hereby assigned to Sweep. For the avoidance of doubt, Feedback Materials shall not include Customer Confidential Information or intellectual property owned by Customer.

This Agreement does not constitute a sale of the Software and does not convey to Customer any rights of ownership in or related to the Software or any other intellectual property rights.

Customer shall not remove, alter or obscure any of Sweep's (or its licensors') copyright notices, proprietary legends, trademark or service mark attributions, patent markings or other indicia of Sweep's (or its licensors') ownership or contribution from the Software and Software Services.

Customer represents it shall be responsible for, and retain all right, title, and interest in and to, Customer Content, including improvements thereon resulting from the use of the Software Services, subject to a limited license to Sweep necessary for Sweep's provision of the Software Services and its development and improvement; provided if Customer applies a license to publicly-available Customer Content within the Software, Customer (i) licenses that Customer Content under the terms of the applicable license; and (ii) represents that Customer has sufficient rights in that Customer Content to do so.

Customer grants to Sweep the right to use Customer's company name and logo in marketing and promotional materials, subject to Customer's brand and trademark guidelines as provided to Sweep from time to time.

WARRANTY

During the Subscription Term, Sweep represents and warrants that: (i) it has the authority to enter into this Agreement, (ii) the Supplemental Services shall be provided in a professional and workmanlike manner by qualified personnel; and (iii) it will use commercial industry standard methods designed to ensure the Software provided to Customer does not include any computer code or other instructions, devices or techniques, including without limitation those known as disabling devices, trojans, or time bombs, that are intentionally designed to disrupt, disable, harm, infect, defraud, damage, or otherwise impede in any manner, the operation of a network, computer program or computer system or any component thereof, including its security or User data.

If at any time Sweep fails to comply with the warranties in this Section, Customer may promptly notify Sweep in writing of any such noncompliance. Sweep will, within thirty (30) days of receipt of such written notification, either correct the noncompliance or provide Customer with a plan for correcting the noncompliance. If the noncompliance is not corrected or if a reasonably acceptable plan for correcting the non-compliance is not established during such period, Customer may terminate this Agreement and receive a prorated refund for the unused portion of the Subscription Term as its sole and exclusive remedy for such noncompliance.

EXCEPT AS SPECIFICALLY SET FORTH IN THIS AGREEMENT, THE SOFTWARE, SOFTWARE SERVICES SUPPLEMENTAL SERVICES AND CONFIDENTIAL INFORMATION AND ANYTHING PROVIDED IN CONNECTION WITH THIS AGREEMENT ARE PROVIDED "AS-IS," WITHOUT ANY WARRANTIES OF ANY KIND. SWEEP AND ITS LICENSORS HEREBY DISCLAIM ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT.

INDEMNIFICATION

Sweep will defend Customer from any claim, demand, suit or proceeding made or brought against Customer by a third party alleging the Software (excluding Free Software) licensed to Customer by Sweep infringes or misappropriates such third party's patent, copyright, trademarks, or trade secrets (a "**Customer Claim**"). Sweep will indemnify and hold Customer harmless from any damages, reasonable attorneys' fees and costs finally awarded against Customer as a result of a Customer Claim, or for amounts paid by Customer under a settlement approved (in writing) by Sweep, provided Customer: (i) promptly notifies Sweep in writing of the Customer Claim; (ii) gives Sweep all reasonable assistance at Sweep's expense; and (iii) gives Sweep sole control over defense and settlement thereof except that Sweep may not settle any Customer Claim unless it unconditionally releases Customer of all liability. The foregoing obligations do not apply if: (a) the Customer Claim arises from Software or any part thereof that is modified by Customer, or at Customer's direction, after delivery by Sweep; (b) the Customer Claim arises from the use or combination of the Software or any part thereof with other products, processes or materials not provided by Sweep where the alleged infringement relates to such combination; (c) Customer continues allegedly infringing activity after being notified thereof or after being informed of modifications that would have avoided the alleged infringement; (d) the Customer Claim arises from software not created by Sweep, or (e) the Customer Claim results from Customer's breach of this Agreement and/or applicable Order Forms. Notwithstanding the foregoing, in the event of a Customer Claim, Sweep, at its discretion, option and expense, reserves the rights to: (1) modify the Software to make it non-infringing

provided there is no material loss of functionality; (2) settle such claim by procuring the right for Customer to continue using the Software; or (3) if in Sweep's reasonable opinion neither (1) or (2) are commercially feasible, terminate the license to the Software and refund a pro-rata portion of the amount paid by Customer for such Software for the unused portion of the Subscription Term.

Customer will defend Sweep and its Affiliates against any claim, demand, suit or proceeding made or brought against Sweep by a third party alleging: (i) that any Customer Content or Customer's use of Customer Content with the Software Services or any software (or combination of software) provided by Customer and used with the Software Services, infringes or misappropriates such third party's intellectual property rights, or (ii) arising from Customer's use of the Software Services in an unlawful manner or in violation of the Agreement, the applicable documentation, or Order Form (each a "**Sweep Claim**"). Customer will indemnify Sweep from any damages, reasonable attorneys' fees and costs finally awarded against Sweep as a result of, or for any amounts paid by Sweep under a settlement approved (in writing) by Customer of a Sweep Claim, provided Sweep: (x) promptly gives Customer written notice of the Sweep Claim, (y) gives

Customer sole control of the defense and settlement of the Sweep Claim (except that Customer may not settle any Sweep Claim unless it unconditionally releases Sweep of all liability), and (z) gives Customer all reasonable assistance, at Customer's expense. The above defense and indemnification obligations do not apply if a Sweep Claim arises from Sweep's breach of this Agreement and/or applicable Order Form.

This Section (Indemnification) states the indemnifying party's sole liability to, and the indemnified party's exclusive remedy against the other party for any third-party claim described in this section.

Without limiting the foregoing, Customer shall not export, re-export, or transfer the Controlled Subject Matter to (i) to any Embargoed Country or region, (ii) to any party identified on or subject to the limitations of OFAC's Specially Designated Nationals List, the Bureau of Industry and Security's Entity, Unverified, or Denied Persons Lists, or (iii) for any end use or end user prohibited by 15 C.F.R. 744, including, without limitation, proliferation activities relating to nuclear, missile, or chemical and biological weapons.
